Ranitidine 300mg tab.....	30	60	90

Prescription Program includes up to a 30-day supply for \$4 and a 90-day supply for \$10 of some covered generic drugs at commonly prescribed dosages. Higher dosages cost more. Not all drugs covered by the \$4 Program are covered by the \$10 Program. Prices for some drugs covered by the Prescription Program may be higher and may vary in some states. Restrictions apply.

The Program Drug List may change and also may vary by state. Not all formulations of a drug (for example, enteric-coated, extended or timed release formulations) or strengths are covered under the Program. Program pricing not available when a covered drug is dispensed as part of a compound. Prepackaged drugs are covered under the Program only in the unit sizes specified.

† Covered only in unit sizes specified.

These Program Details are subject to change without advance notice.
